Eyelash Extensions

\$99 Initial Set \$75 Refresh

Melanie brings her skills and attention to detail to give you lash fullness for everyday wear that is subtle yet noticeable!

Or you can go for the Glam Look and get ready for that special occasion with elegant, yet dramatic and luxurious eyelashes!

Henna Eyebrows \$49

Henna is natural dye that will tint your current brow hairs and stain the skin below to give a shadowed fill-in effect. The stain is temporary, but it is a great opportunity to enhance your brows to include shaping without any permanence! This is a great opportunity for those considering permanent makeup but not ready to make that commitment!

We are pleased to announce our newest provider....
